

PTO Meeting

Dec. 15, 2020

SFUSD MISSION

Every day we provide each and every student the quality instruction and equitable support required to thrive in the 21st century.

WBMS CORE VALUES:

Respect

Agency

Responsibility

Empathy

The Mission of the PTO is to come together to support the WBMS students, their families, the teachers, and the staff. This year we are focusing on finding new means of parent and student support during the challenging time of distance learning.

Purpose:

- ***Parent-Teacher Organization (PTO)*** - *The PTO is an organization of parents and staff that focuses on community building amongst parents across differences, fundraising to offset academic and enrichment opportunities for students, and beautifying the school. The PTO works best when families and educators work together. The meetings are held on the third Tuesday of each month. PTO decisions are made in conjunction with school staff and administration and are in line with the school vision. The PTO has an elected executive board that meets monthly and general meetings. Both are open to the public and minutes will be translated and saved in a PTO folder.*
